### PROGRAMME OVERVIEW

This training programme has been designed for managers, executives, trainers, instructors, team leaders, and supervisors in organizations who wish to provide structured training and conduct relevant assessments in their organization so as to achieve Peak Performance.

### LEARNING OBJECTIVES

Participants who have completed this module would be able to:

- Discuss the characteristics of a competent trainer
- Explain adult learning principles and how training can be delivered effectively to adults
- Conduct training needs analysis to determine specific training needs
- Design competency-based training programmes for a target group
- Deliver a training session using effective training methodologies effectively
- Apply appropriate methods of assessing participants' competency

### SPECIAL POINTS OF INTEREST

- Emphasis on workplace application
- Short lectures, group activities and group discussions to provide participants with a fun and supportive learning environment
- Skill session for participants to practise their training skills

### WHO WILL BENEFIT

People for whom training is a large part of their job, or a full job function within a structured assessment and training system. These people have considerable responsibility for training programme development and delivery, as well as assessment of participants or employees.

### METHODOLOGY

Short lecture, group discussions, activities, role-play and skill practice to provide participants with a fun and supportive learning environment.

### CONDUCTED BY

**CEDR Corporate Consulting** is a premier one-stop learning center providing professional Trainer Training that supports the growth of new and experienced trainers, along with training managers through the HRD CORP Train The Trainer and other trainer development programmes.
