PROGRAM OVERVIEW

Customers have many choices! If they are happy with the way they are treated, they will stay with you. With the fast changing of technologies and trend in today's global economy, providing customer service is compulsory and necessity. All of us are doing that. At the same time, are we doing our best in an amazing way? Customers may first come into your business because of your product and/or service, and they will decide to come again based on how well they are treated. In having the customers to maintain a good business relationship, we must provide a customer service that makes them feel amazing. Having a wonderful experience on how well they are treated, they will continue to buy from you. At the same time, creating more loyal customers that will sell for you. The Amazing Customer Service workshop will look at all types of customers and how we can serve them better and improve ourselves in the process. We will be provided with a strong skills set including meeting customer expectation in having a win-win mindset, dealing with difficult customers, managing complain effectively, and generating return business.
