Dear Sir/Madam

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE

1. INTRODUCTION

On 25 May 2023, the Company obtained the 2023 Shareholders' Mandate for recurrent related party transactions at the 92nd AGM in accordance with paragraph 10.09 of Chapter 10 of the Listing Requirements.

The 2023 Shareholders' Mandate shall expire at the conclusion of the forthcoming 93rd AGM unless it is renewed.

On 28 February 2024, the Board announced that the Company proposes to procure a general mandate from its Shareholders for the Recurrent Transactions at the 93rd AGM.

The purpose of this Circular is to provide the Shareholders with information relating to the Proposed Shareholders' Mandate and to seek the Shareholders' approval on the Ordinary Resolution in respect of the same to be tabled as Special Business at the 93rd AGM to be held virtually from the Broadcast Venue, Meeting Hall, Level 16, Lion Office Tower, No. 1 Jalan Nagasari, 50200 Kuala Lumpur, Wilayah Persekutuan and via Securities Services e-Portal at <https://sshb.net.my/> on Thursday, 30 May 2024 at 10.30 am and at any adjournment thereof.

Disclosure has been made in the 2023 Annual Report of the Company on the breakdown of the aggregate value of transactions conducted pursuant to the 2023 Shareholders' Mandate during the financial year ended 31 December 2023, which amongst others, is based on the following information:

- (a) the nature of the RRPTs entered into; and
- (b) the class of related parties involved in the RRPTs and their relationship with the Company.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

2.1 Paragraph 10.09 of Chapter 10 of the Listing Requirements and Paragraph 3.1.4 of Practice Note 12 in relation to the RRPTs

Under paragraph 10.09(2) of Chapter 10 of the Listing Requirements, a listed issuer may seek a mandate from its shareholders for RRPTs subject to the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (b) the shareholder mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholder mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under paragraph 10.09(1) of the Listing Requirements;
- (c) the listed issuer's circular to shareholders for the shareholder mandate includes the information as may be prescribed by Bursa Securities;
- (d) in a meeting to obtain shareholder mandate, the interested director, interested major shareholder or interested person connected with a director or major shareholder; and where it involves the interest of an interested person connected with a director or major shareholder, such director or major shareholder, must not vote on the resolution to approve the transactions. An interested director or interested major shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- (e) the listed issuer immediately announces to Bursa Securities when the actual value of a RRPT entered into by the listed issuer, exceeds the estimated value of the RRPT disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Transactions entered into between the listed issuer (or any of its wholly-owned subsidiaries) and its wholly-owned subsidiaries are excluded from the requirements of Chapter 10 of the Listing Requirements.

Paragraph 3.1.4 of Practice Note 12 states that the shareholder mandate is subject to annual renewal and any authority conferred by a shareholder mandate will only continue to be in force until:

- (a) the conclusion of the first annual general meeting of the listed issuer following the general meeting at which such shareholder mandate was passed, at which time it will lapse, unless by a resolution passed at the meeting, the authority is renewed;
- (b) the expiration of the period within which the next annual general meeting after that date is required to be held pursuant to Section 340(2) of the Act (but must not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (c) revoked or varied by resolution passed by the shareholders in general meeting,

whichever is the earlier.

Paragraph 3.1.5 of Practice Note 12 further states that in making the disclosure of the aggregate value of RRPTs conducted pursuant to the shareholder mandate in a listed issuer's annual report, a listed issuer must provide a breakdown of the aggregate value of the RRPTs made during the financial year, amongst others, based on the following information:

- (a) the type of the RRPTs made; and
- (b) the names of the related parties involved in each type of the RRPTs made and their relationship with the listed issuer.

Accordingly, the Company proposes to seek a renewal of the 2023 Shareholders' Mandate from its Shareholders for the Recurrent Transactions for the LICB Group to enter into transactions with the Related Parties which are of a revenue or trading nature and necessary for its day-to-day operations, on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The Proposed Shareholders' Mandate, if approved, will take effect from the date of the passing of the Ordinary Resolution relating thereto at the 93rd AGM and will continue to be in force until the conclusion of the next AGM or until the expiration of the period within which the next AGM is required to be held pursuant to Section 340(2) of the Act (but must not extend to such extension as may be allowed pursuant to Section 340(4) of the Act) unless revoked or varied by resolution passed by the Shareholders of the Company in a general meeting, whichever is the earlier.

- (a) Steel - manufacture and marketing of steel bars, wire rods and other steel related products; and
- (b) Property - property development and management.

The public listed subsidiary of LICB, namely LPB, will be seeking a separate mandate from its shareholders for LPB and its subsidiaries to enter into RRPTs.

Due to the ongoing liquidation process, no further late payment charges will be imposed on the outstanding receivables.

None of the Recurrent Transactions contemplated under the Proposed Shareholders’ Mandate would be undertaken with the LDHB Group including Lion DRI, which is a dormant company. 3.5 Review Procedures for RRPTs

The LICB Group has established the following methods and procedures to ensure that all RRPTs are undertaken on an arm's length basis and on normal commercial terms, which are consistent with the LICB Group's usual business practices and policies, and on terms not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders:

- (a) A list of related parties will be circulated within the LICB Group and it will be updated for any subsequent changes. The related parties will also be notified that all RRPTs are required to be undertaken on an arm's length basis and on normal commercial terms, and on terms which are not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders.
- (b) RRPTs will be reviewed and authorised by the following parties:

Nature of Recurrent Transactions	Equal to or exceeding (per purchase contract or purchase order) RM	Less than (per purchase contract or purchase order) RM	Authority Levels
Steel related		<10,000,000	Accountant/Chief Accountant/Financial Controller and General Manager
	≥10,000,000	<50,000,000	General Manager and Managing Director/ Executive Director/ Director
	≥50,000,000		Audit Committee
Others		<1,000,000	Accountant/Chief Accountant/ Financial Controller and General Manager
	≥1,000,000	<5,000,000	General Manager and Managing Director/ Executive Director/ Director
	≥5,000,000		Audit Committee

If a member of the Audit Committee has an interest, as the case may be, he will abstain from any decision making by the Audit Committee in respect of the said transaction.

- (c) Records will be maintained by the LICB Group to capture all RRPTs which are entered into pursuant to the Proposed Shareholders' Mandate.
- (d) The annual internal audit plan shall incorporate a review of all RRPTs which will be entered into pursuant to the Proposed Shareholders' Mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to.
- (e) The Audit Committee shall review the internal audit reports to ascertain that the guidelines and procedures established to monitor all RRPTs have been complied with.
- (f) The Board and the Audit Committee shall have overall responsibility for the determination of the review procedures with authority to sub-delegate to individuals or committees within the LICB Group as they deem appropriate. Such review methods and procedures may be modified, supplemented or replaced from time to time by the Audit Committee.
- (g) The transaction prices, terms and conditions are determined as follows:
 - (i) by the prevailing market forces, under similar commercial terms for transactions with third parties which depend on the demand and supply of the products/services in the market.
 - (ii) on an arm's length basis and on normal commercial terms which are consistent with the LICB Group's usual business practices and policies. Price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.
 - (iii) on competitive commercial terms. The LICB Group shall identify various sources of supply to secure at least 3 quotations which shall be documented in the "Price Comparison Summary cum Approval Form". In the event less than 3 quotations are available from unrelated third parties for comparison due to limited sources of supply or potential suppliers' unwillingness to quote, reference shall be made to published market reports, if available, pertaining to transactions of similar products concluded in other markets. In such event, the Company will ensure that the RRPT is not detrimental to the LICB Group.
 - (iv) by evaluating and shortlisting vendors prior to price negotiations by the Purchasing Department, based on the following criteria:
 - a. price competitiveness
 - b. quality
 - c. experience
 - d. delivery/service
 - e. credit term
 - f. technical capability
 - g. financial strength

After price negotiation, the Purchasing Department shall recommend the selection of potential/successful supplier for approval by appropriate authority.

- (v) where appropriate, by conducting a valuation or appraisal of the market value of a transaction by an independent expert and by obtaining additional quotations from third parties for the purpose of performing an independent and balanced assessment, evaluation and comparison of the price, terms and conditions prior to making a decision to enter into the transaction.
- (vi) when quality, payment and other terms and conditions are equal, by the awarding of an order/contract to the supplier with the lowest negotiated price.
- (vii) by evaluating the vendors' performance via feedback from user departments with regard to delivery performance, quality of material and after sales service.

3.6 Rationale for the Proposed Shareholders' Mandate and Benefits to the LICB Group and its Shareholders

The steel and property related businesses are the principal businesses of the LICB Group. The classes of Related Parties listed in paragraph 3.2 are also involved in similar or complementary businesses of the LICB Group. It is therefore in the interests of the LICB Group to transact with the Related Parties (in addition to their transactions with third parties in the ordinary course of business) so that the LICB Group can enjoy synergistic benefits. In addition, the LICB Group is also able to provide and obtain management and support services to/from the Related Parties at competitive prices. Given the complementary nature of the activities of the members of the LICB Group and that of the Related Parties, as well as the fact that such activities are in the ordinary course of business of both the LICB Group and the Related Parties, it is anticipated that the Recurrent Transactions would occur on a frequent and recurrent basis.

The Proposed Shareholders' Mandate is intended to facilitate transactions in the ordinary course of business of the LICB Group which are transacted from time to time with the specified classes of Related Parties, provided that they are undertaken on an arm's length basis and on normal commercial terms which are consistent with the LICB Group's usual business practices and policies, and on terms not more favourable to the Related Parties than those generally available to and/or from the public and are, in the Company's opinion, not detrimental to the minority shareholders.

The Proposed Shareholders' Mandate, if approved by the Shareholders, would eliminate the need to make announcements to Bursa Securities or to convene general meetings from time to time to seek Shareholders' approval as and when potential Recurrent Transactions with the specified classes of Related Parties arise. This will substantially reduce the expenses associated with convening of general meetings on an *ad hoc* basis, improve administrative efficiency considerably and allow resources to be channelled towards attaining other corporate objectives.

3.7 Audit Committee Statement

The Audit Committee of the Company has seen and reviewed the procedures mentioned in paragraph 3.5 and is of the view that:

- (i) the said procedures are sufficient to ensure that the Recurrent Transactions are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders;

- (ii) the LICB Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner, and such procedures and processes are reviewed on a yearly basis or whenever the need arises; and
- (iii) the Proposed Shareholders' Mandate is in the best interest of the LICB Group, fair, reasonable and on normal commercial terms, and not detrimental to the interest of the minority shareholders.

4. CONDITION OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate is subject to the approval of the Shareholders of the Company at the 93rd AGM.

5. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

6. ABSTENTION FROM VOTING

The Interested Directors (as set out in paragraph 3.2) who are interested in the Recurrent Transactions with the respective Related Parties to the extent as set out in paragraph 3.2 have abstained and will continue to abstain from board deliberation and voting on the resolution pertaining to the Proposed Shareholders' Mandate. The Interested Directors, the Interested Major Shareholders (as set out in paragraph 3.2) and/or the Persons Connected (as set out in paragraph 3.2) who have interests, direct or deemed, in the Recurrent Transactions will abstain from voting in respect of their direct and/or deemed shareholdings on the resolution relating to the Proposed Shareholders' Mandate at the 93rd AGM. The Interested Directors and the Interested Major Shareholders will undertake to ensure that the Persons Connected will abstain from voting in respect of their direct and/or deemed shareholdings on the resolution deliberating or approving the Proposed Shareholders' Mandate at the 93rd AGM.

7. DIRECTORS' RECOMMENDATION
